This agreement contains the entire understanding between the YouView and the Client. It supersedes all prior and simultaneous agreements between the parties. The only way to add or change this agreement is to do so in writing, please put a check mark by each term

Expectations of YouView: *

The service provided is a live web streaming service of your event. This is not an edited and produced recording*.*(We recommend a professional videographer be employed to capture the full ambiance of the event.)· Multiple Routers, laptops and cameras are used in order to avoid technical failure. We usually stream to two services, YouView and Google Meet or Zoom(costs may apply). We record to an SD card so that we have can upload your recording immediately after the event so that your remote audience can view it later.· To provide a continuous video with as little interruption as possible, we may need to reduce frame rates, bitrates and resolution to compensate for poor internet connections. As a result, we cannot guarantee specific quality of image or sound. We recommend that you hire the services of a professional videographer to produce a high-quality recording. Even though we use multiple

Payment *

The Client agrees that the Reservation Deposit is required at the time of signing the contract and the Outstanding Balance is due on the day or before of the Event.
